

AMENDMENTS TO THE SPECIFICATION

Please amend the specification in the following manner.

On page 1, following the application title and before the paragraph having the heading "Technical Field," please add the following new paragraph:

RELATED APPLICATIONS

This application relates to U.S. Pat. Appl. Serial No. 09/885,746, entitled "Methods and Apparatus for Generating a Multiple Composite Image," and U.S. Pat. Appl. Serial No. 09/885,758, entitled "Methods and Apparatus for Producing a Lenticular Novelty Item at a Point of Purchase," each of which was concurrently filed herewith.
